City Attorney Summary:

This project consists of the rezoning of three (3) sites listed in the City of Cerritos' 2021-2029 Housing Element as Site A, Site 7, and Site B, as required by applicable State Housing Element law. Sites A, 7, and B are currently zoned for commercial/industrial uses only and do not allow for residential uses. The proposed rezonings of these sites will allow for continued commercial/industrial uses, but will now also allow for residential uses in order to accommodate any future residential, mixed-income housing projects. This project implements Program 12 of the City's Housing Element, the Multi-Family and Residential Mixed-Used Housing Facilitation Program. California Government Code Section 65583.4(a) requires the city to implement Program 12 by rezoning these sites that are currently not zoned for residential uses.
