SUMMER 2025

PARKS MAKE LIFE BETTER

Special Events

July is Parks and Recreation Month

The City of Cerritos invites you and your family to celebrate Parks and Recreation Month and the enduring importance of parks and recreation in the community. From the start, parks were created to provide communities with a place to appreciate nature, exercise, socialize, and have fun. It is with this goal in mind that the City offers every Cerritos child a safe park to play within walking distance of their home. There are opportunities for children, adults, and seniors to benefit from recreation programs, facilities, and services. This July, let's celebrate the past, present and future of parks and recreation!

Facility Information

Moon Bounce use at Cerritos Recreational Facilities

Cerritos residents are permitted to have a moon bounce at their family or neighborhood-related functions at a staffed Cerritos Recreation Facility. Moon bounces are only allowed at the following Cerritos recreational facilities, during normal operating hours: Cerritos Park East, Frontier Park, Heritage Park, Liberty Park, and Westgate Park.

Please be aware of the following policies and procedures:

- Advance reservation for a shelter is required. Fees and deposits are required for all shelter reservations. There is a limited number of moon bounce areas designated at each facility. Moon bounce must be powered by a gasoline generator with enough gas to last for the duration of the reservation (maximum of six (6) hours). Moon bounces may not be plugged in to City electrical outlets.
- Moon bounce may not exceed 16 ft. x 16 ft. in size. Combos, climbers, slides or water features are prohibited.
- The permit holder must be present when the equipment is dropped off and must remain at the facility until the equipment is picked up by the vendor. All moon bounces must be supervised by an adult at all times.
- Choose from one (1) of the vendors who have a current certificate of insurance on file with the City of Cerritos or select an alternate company.
- If using an alternate company, an original certificate of insurance is required in the amount of one (1) million dollars, naming the City of Cerritos, its officers, employees, agents and volunteers as additional insured, along with an endorsement. Both documents are due at least ten (10) business days prior to the reservation date.
- All moon bounce requests are subject to approval by the Facility Coordinator and Supervisor.

Please visit one of the Cerritos Community Centers – Cerritos Park East, Heritage Park, or Liberty Park – for reservation information and facility availability.
